

MONSTRUO ROSA

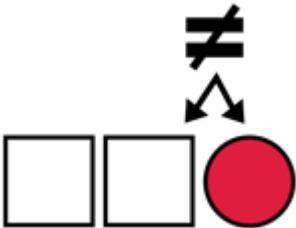

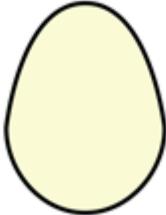

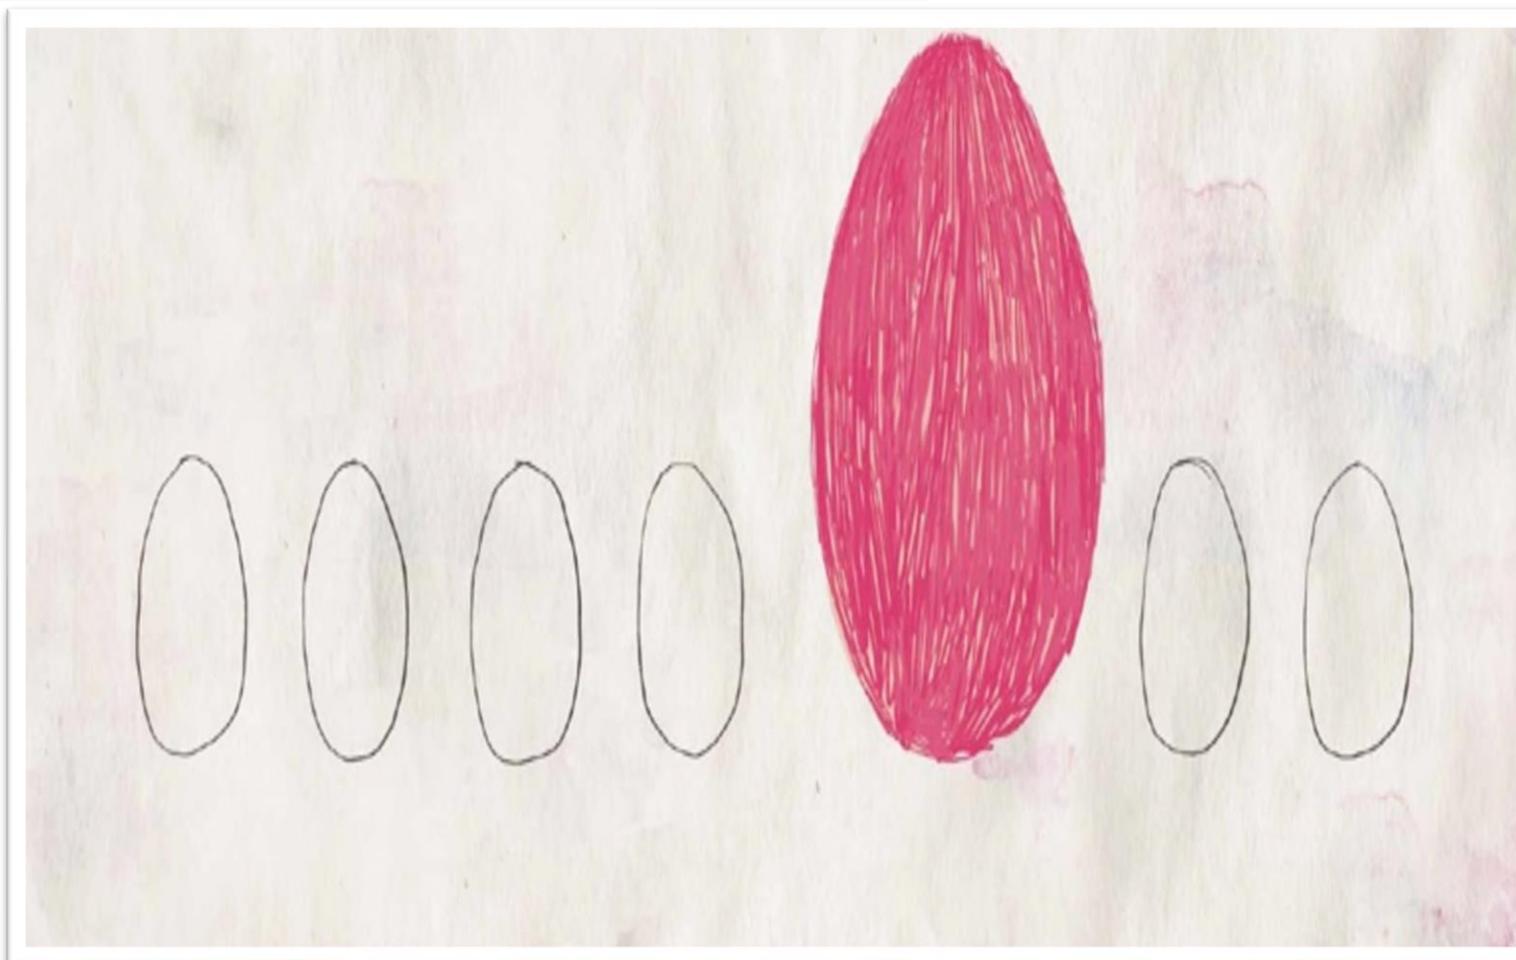

De Olga de Dios

Una historia para entender la diversidad como elemento enriquecedor de nuestra sociedad

		
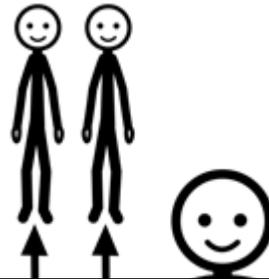

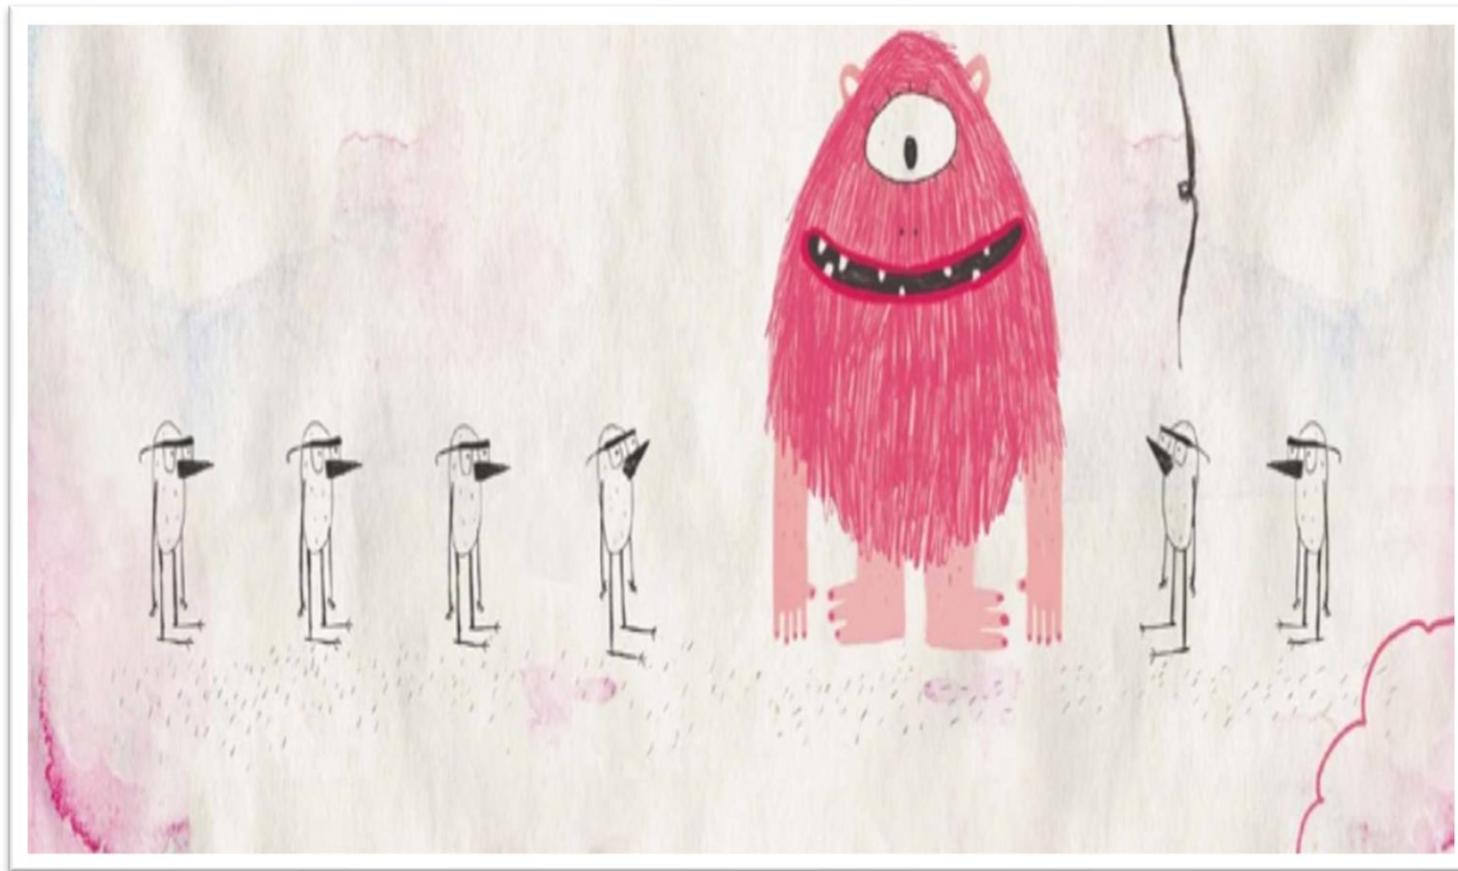

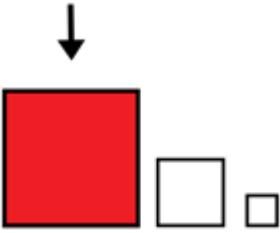

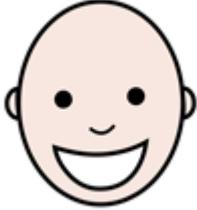

Monstruo Rosa	era diferente	antes de nacer.

		
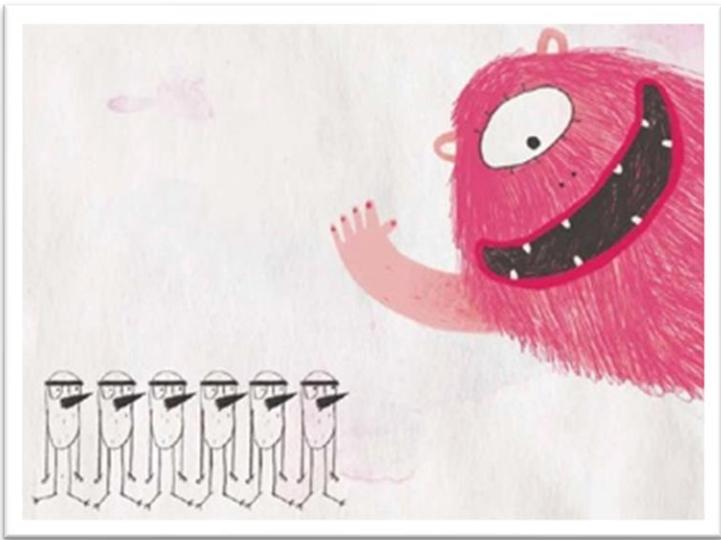

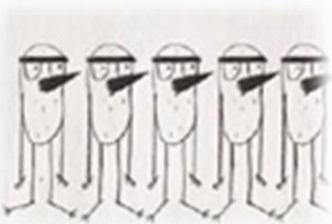

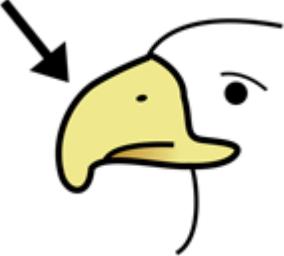

Era rosa	y los demás	blancos.

		
Monstruo Rosa	era grande y	siempre sonreía.

		
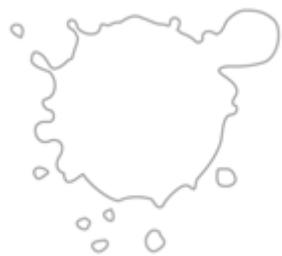

Los demás	no podían sonreír	por su pico.

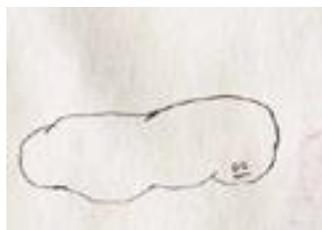

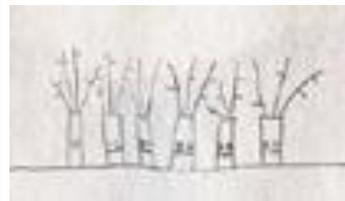

En su pueblo

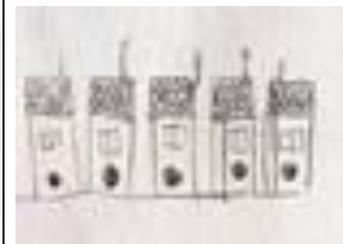

era todo blanco,

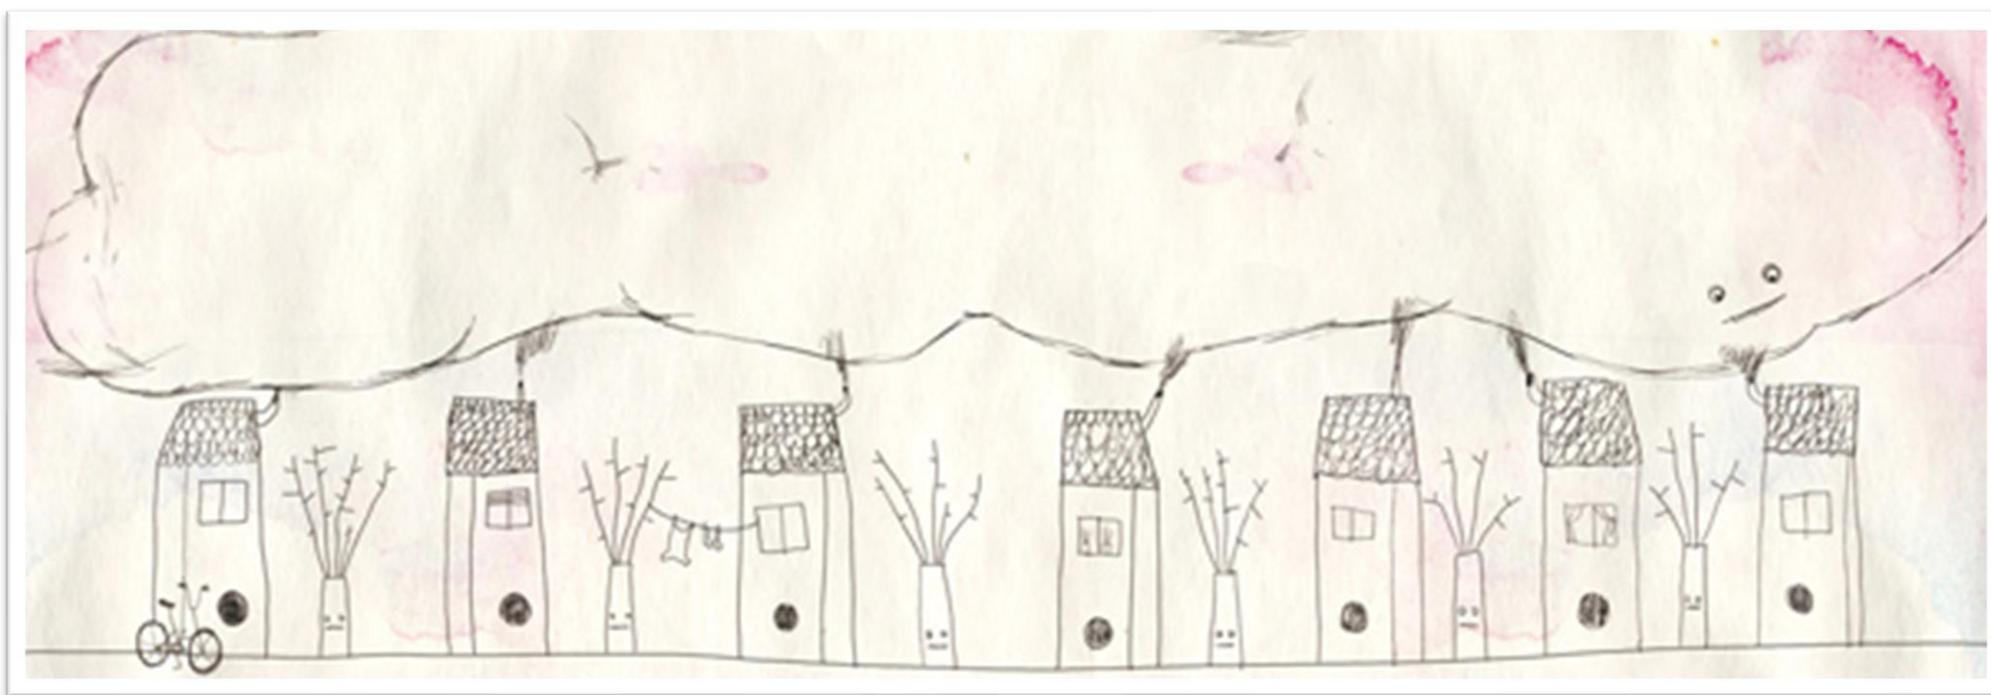

la nube,

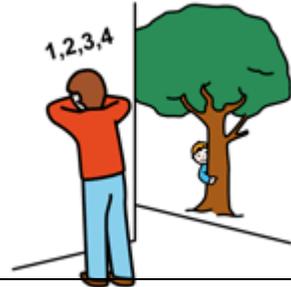

los árboles,

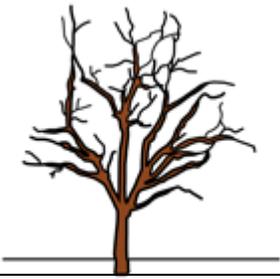

las casas, ...

		
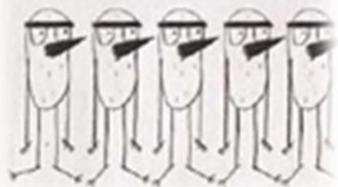

Monstruo Rosa	siempre perdía	jugando al escondite.

		
Y se caía	cuando subía	a los árboles.

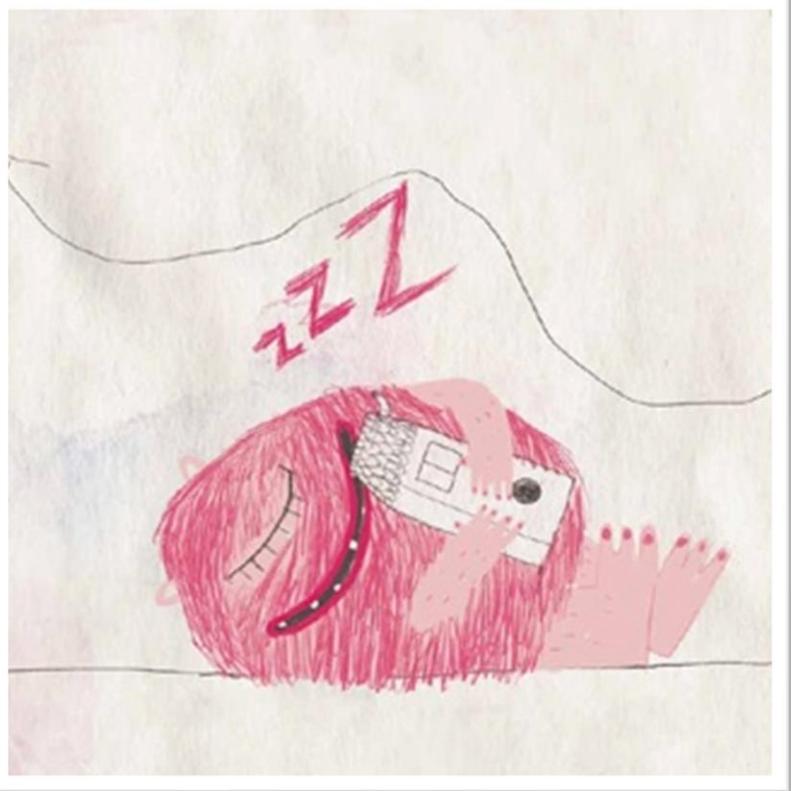

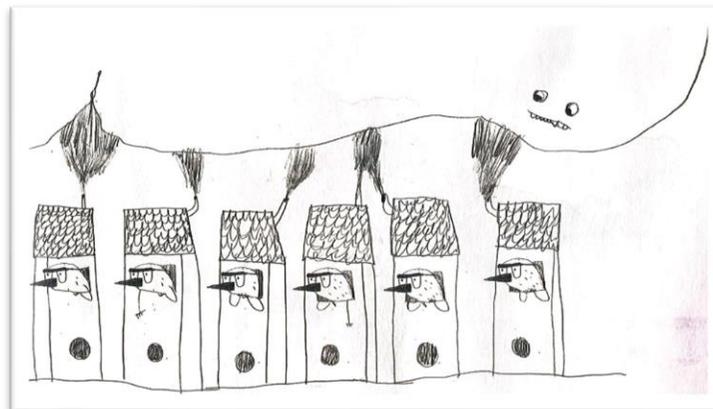

Por la noche

los demás

iban a su casa.

Monstruo Rosa

no podía entrar

y dormía

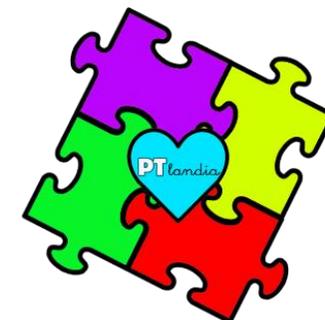

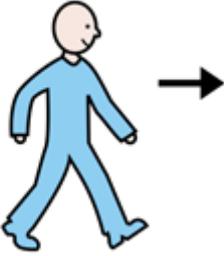

abrazado

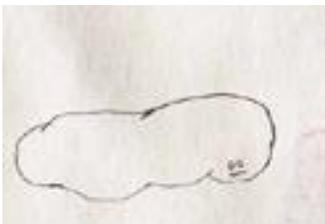

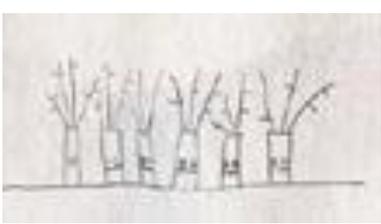

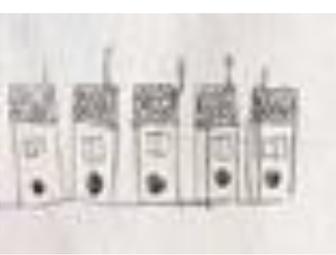

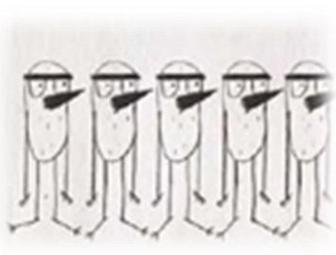

a su casa.

			
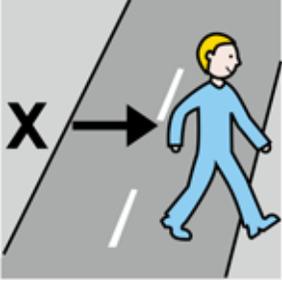

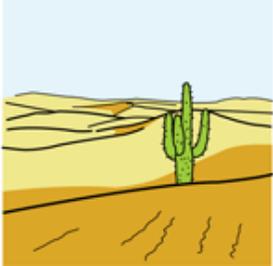

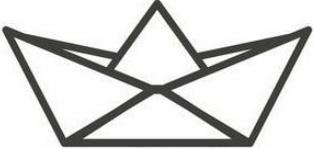

Un día	Monstruo Rosa	se fue	de su pueblo.

		
Dijo adiós a	la nube blanca,	los árboles blancos,

	
las casas blancas	y los demás.

				
Monstruo Rosa	cruzó	montañas	en bicicleta,	un desierto

	
y el mar	en un barco de papel.

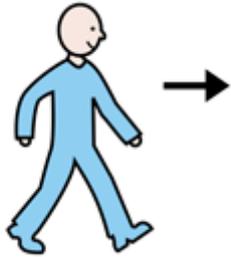

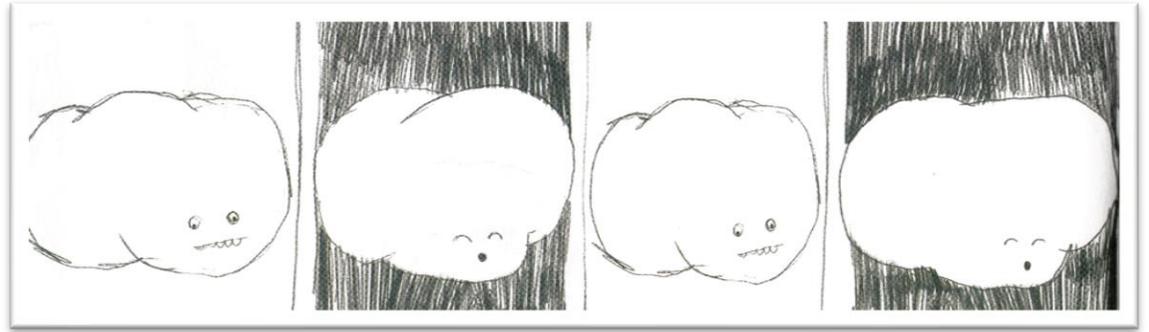

Pasaron los días

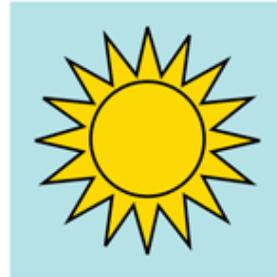

y las noches.

Llegó

a un lugar donde

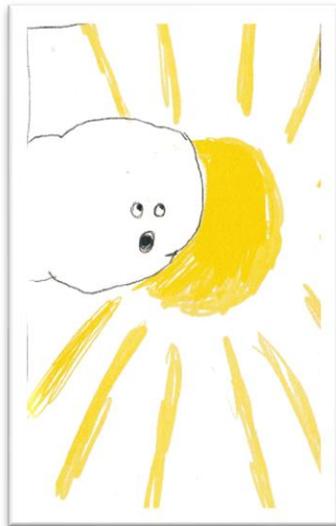

salía el sol,

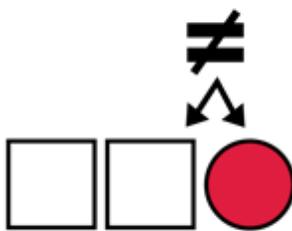

llovía

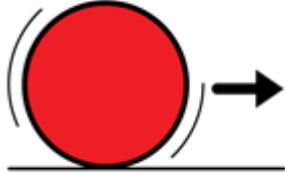

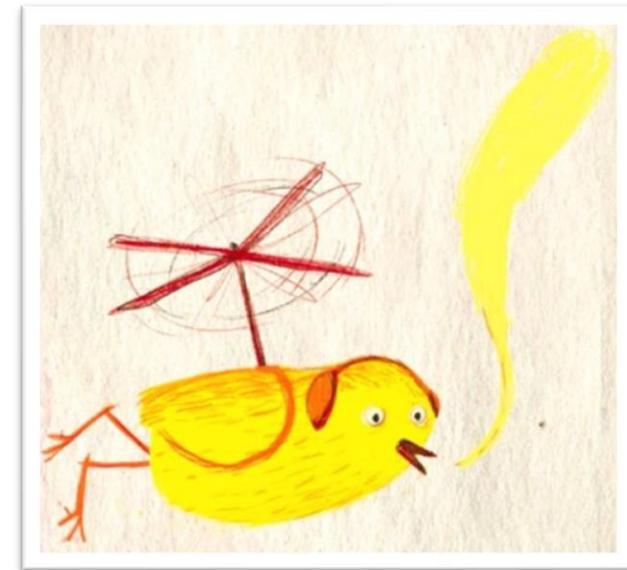

y salía el arcoíris

		
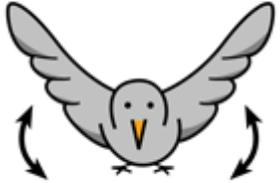

<p>Conoció</p>	<p>a gente</p>	<p>diferente.</p>

	
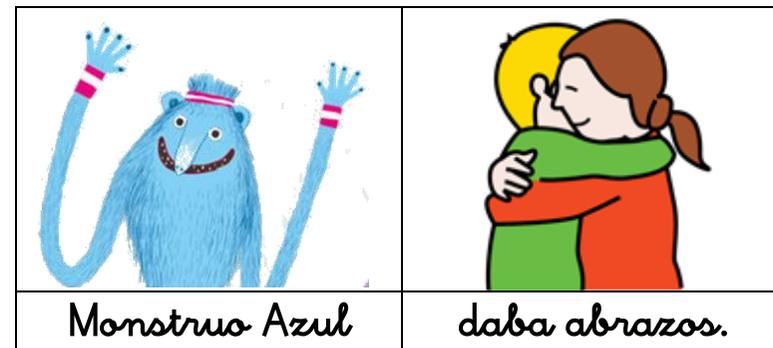

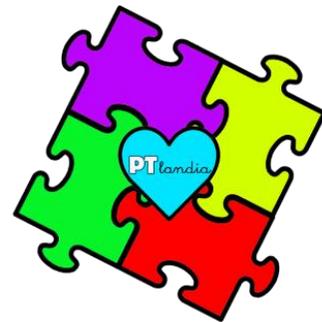

<p>Bicho Pelota</p>	<p>podía rodar.</p>

		
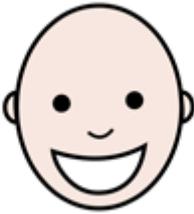

<p>Pájaro Amarillo</p>	<p>sabía volar</p>	<p>y cantar.</p>

			
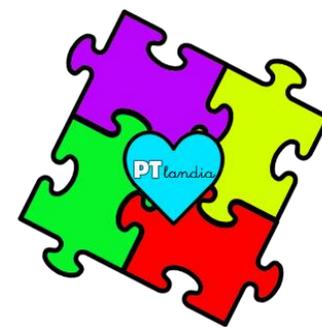

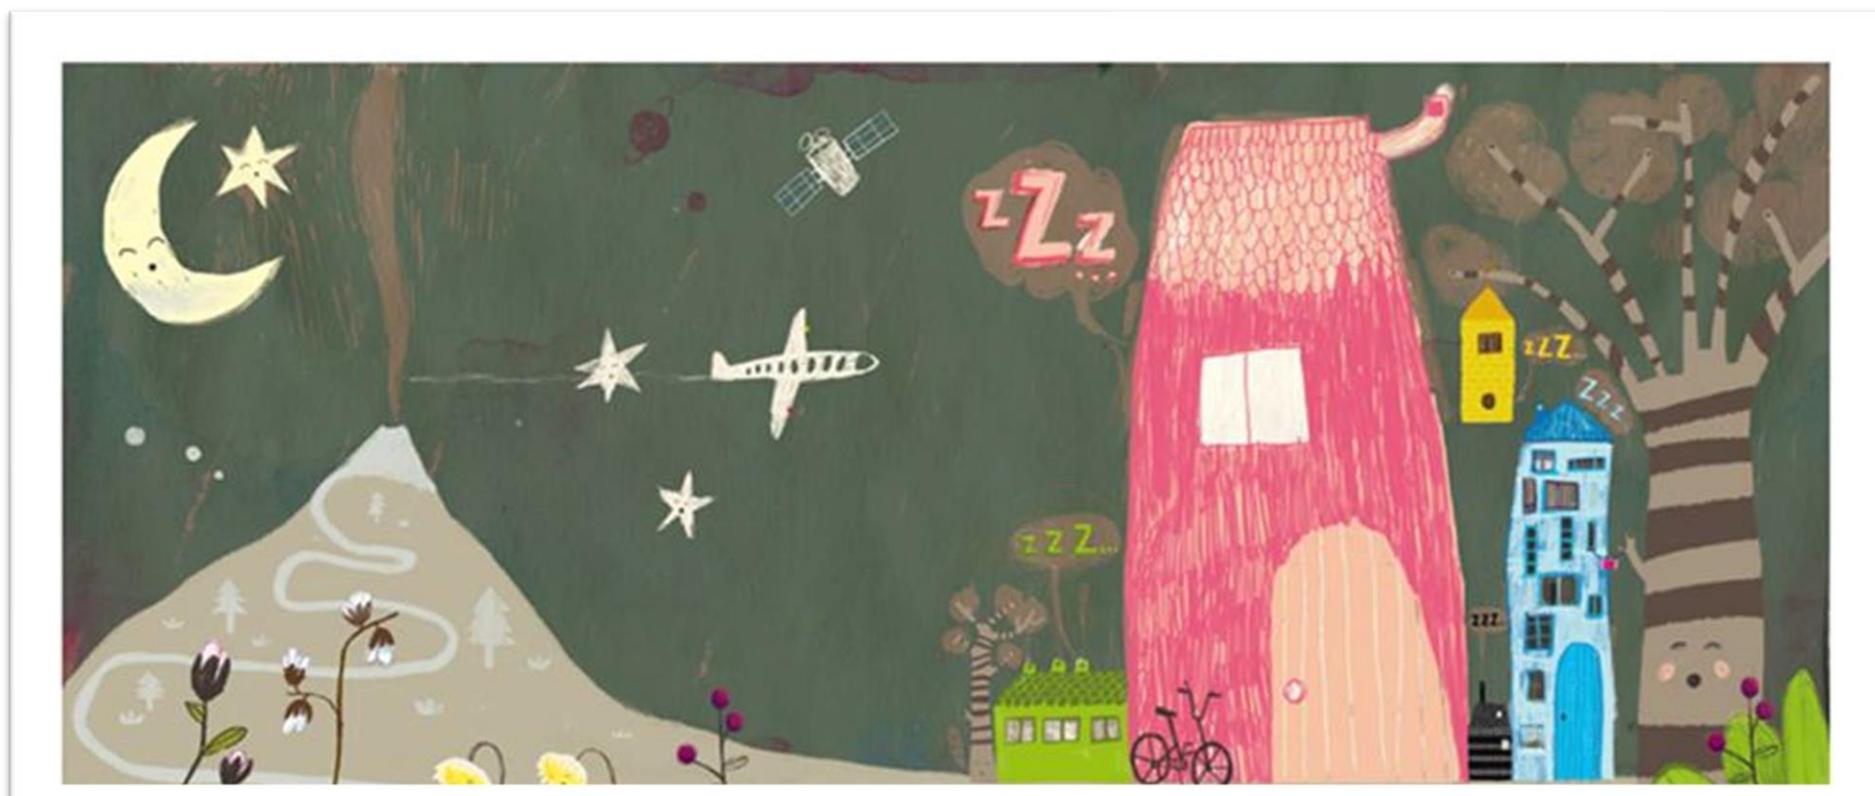

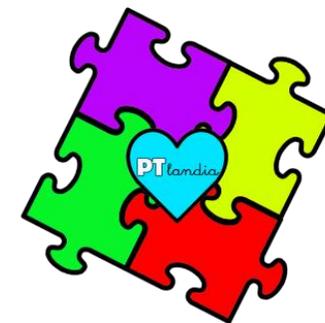

De día	todos	reían	y jugaban.

			
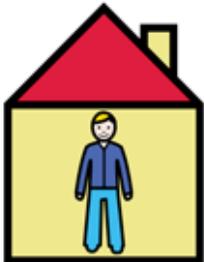

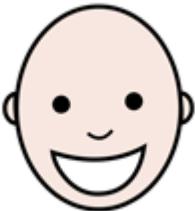

De noche	todos	dormían	en sus casas.

		
Monstruo Rosa	se quedó a vivir	en este pueblo

	
y siempre estaba	sonriendo.
